Basics of Choosing BEST PLR for FREE and Best Way to Rebrand PLR for the BEST Outcome!

The PLR products come in many formats.

You can find PLR:

- Articles
- Article packs
- Ebooks
- Reports
- Audio Courses
- Video courses
- Graphics
- Autoresponder email series
- Squeeze pages & HTML templates
- WordPress Themes & Plugins
- Software

As you can see, for the nature of PLR product types, you have a lot of options to choose from.

If you are not want articles, you can find a PLR video course. If you have customers/traffic interested more in software, you need to find a software in your niche that's

released under Private Label Rights, sell it as your own and keep all the profits.

The advantage of choosing a text format/article is that you can easily rebrand the content and keep the information up to date. A video training course or a software cannot easily be updated or edited.
