## **My Recommendation :**

Just Do it for 30 days , make 30 pdf as i shown how to make it and share as i told. You will see easy **\$100 a day soon.**

Making a PDF will take maximum 10 minutes after 5 days and sharing and upload process will take 50 minutes + day. That's **1 hour a day.**

And You will see a life changing income in no time.

P.P.S : At first week it can take 2 hours a day to do everything. Dont tense ! Do this extra work for your own life and you can do everything in 1 hour after 7 days maximum.

P.P.P.S : If You don't have Clickbank account then choose a good weight loss product from another marketplace just like [markethealth.com](http://markethealth.com) . This is a very strong system to make \$100 a day. Don't give up for any excuse.

Enjoy and Take Action
